REMINDERS - UPCOMING PROJECTS? Remember, ACC Approval!

Summer is just around the corner, and it is a great time for tackling outdoor projects for your home. Remember that any project that changes the appearance of your home or yard (e.g., new roofing, painting, fences, decks, buildings, etc.) will require approval from the Architectural Control Committee (ACC) before you begin any work. All the information you need can be found by going to <https://spectrumam.com/homeowners/property-improvement/>. Start by filling out the Improvement Request Form and submitting it to your Spectrum Site Manager online, or by email or fax. If you have any questions, contact Spectrum Association Management at contact@spectrumam.com. Ask for your Site Manager.
